Dear AWS, we are delighted to invite you to our first Law Careers Fair at Roehampton. It will be a fantastic opportunity to engage with lots of aspiring solicitors and spreading knowledge of AWS. We would like our students to be inspired by all of the successful female solicitor members of AWS to ensure everyone follows their passions. We are particularly pleased to be inviting AWS due to Roehampton's history of being the first college of higher education to admit women and today 61% of student are female. For any more information please do not hesitate contact
